Barnsley
Healthcare
Federation

Better Health, Better Care, for a Better Barnsley

We will listen to you, understand your situation and connect you to the right support.

We are non-judgmental and can work with you to help you make the changes you want to see, whether that be providing support to meet new people or linking you up with specialist services

We know that taking care of your mental Health is as important as your physical health. We can work with you to overcome any issues you may have

Appointments
Face to Face
Web Chat
Telephone

We will look at ways to actively help you with any social problems that you are facing.

Dedicated contact within the Social Prescribing Team who will work with you

You can contact us for more information and to make a referral to Link works by emailing us in the first instance barnsleyccg.pcnsocialprescribing@nhs.net or call 07951561652
